# MAKING LIFE BETTER FOR OUR CUSTOMERS

For over 100 years, our mission has been to make life better for our customers. We do this by bringing emotional meaning to functional perfection: always innovating to anticipate the demands and aspirations of modern living. From our roots pioneering products like the single lever tap, to delivering solutions for pressing global challenges, we create not just for today, but for tomorrow.

Expert engineering means our shower enclosures and bath screens are full of clever features which make them not just a pleasure to use but easy to install, clean and maintain.

**GLASS THICKNESS**  
6mm toughened safety glass

**IDEALCLEAN**  
Reduces cleaning time by up to 90%.  
Special coating so glass is easier to clean and stays cleaner for longer

**CLICK AND CLEAN**  
Lower wheels and panels can be released for cleaning. The panel clicks back into position for watertight seal

**GUARANTEE**  
Enclosures, wetroom panels and baths screens have a 10 year guarantee

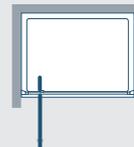

**HORIZONTAL ADJUSTMENT**  
Profile can be adjusted to allow for untrue walls. Check each range for measurement
